

Oct 10, 1967

Regular meeting of the Airport Commission met at the Owl Cafe with members Jerry Gass, Guy Stormont, Dave Powers, Joe Nicholes, & Gene DeFrance present. Representatives from Morrison-Maierle presented final drawing of new airport master plan. John Daily, City engineer, was also present. Motion made by Stormont that the lighted wind cone, segmented circle, fencing, and cattle guard be under separate schedule. Seconded by Gass. Motion carried.

Guy Stormont made motion that we advertise in the Laurel Outlook, starting Oct 12, 19, & 26 for bids on new runway construction. Bids to be opened Nov. 1st. DeFrance seconded. ~~Mrs~~ Motion carried.

Clear zone easement on the east end of the runway 3 has been signed by land owners.

Gass made a motion for approval of Dave Powers's signature on master plans and specs of new airport.

Meeting adjourned.

Respectfully submitted

Burt L. Ward
